

## New GEO shower enclosures and products for ground-level installation.

**GEO, the shower**  
Made in Germany

**Thank you very much** for your interest in our **GEO** quality products for bathrooms. Buying our products means that you will be guaranteed a product which was subjected to comprehensive fatigue tests and produced within an assurance system for high quality. Our products are of high quality and long life and bear the safety test approval seal. For all **GEO** quality products, you get a ten-year product warranty. Our company is certified pursuant to ISO 9001. With the purchase of our products you are supporting the manufacturing location of Germany.

Why you should decide in favour of **GEO**:

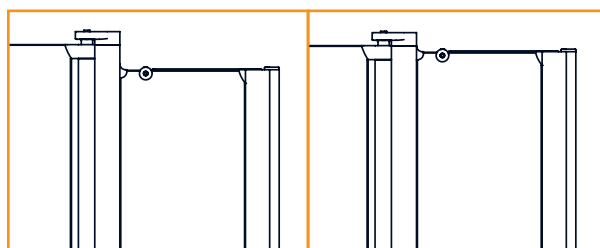

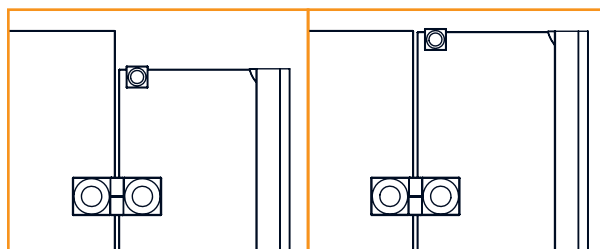

**GEO** product advantages ...better in the long run...and at a glance

You can now choose shower enclosures with 2 different heights:

**NEW: 1 side panel – 2 heights – 1 price.**

- Corner entry geonova® 4070
- Front entry geonova® 1070
- Round shower geonova® 3073
- geonova® 3070
- geonova® 6070

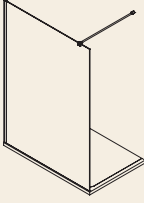

- Corner entry geoalba® 4007
- Front entry geoalba® 1007
- Round shower geoalba® 3007
- Pentangle shower geoalba® 5007

Our technical department will be happy to assist YOU at **+49(0)6202 2093-42**:  
Monday - Friday 7.00 a.m. - 8.00 p.m. and Saturdays 9.00 a.m. - 6.00 p.m.
