BATHROOM ACCESORIES AND COMPLEMENTS

Formas, sensibilidad y movimiento, valores de un concepto estético en baño.

Empleando sólo las mejores materias primas que son transformadas en nuestra planta de El Papiol, finalizamos con un exigente proceso de acabados que incluye una deposición de níquel, cromo u oro de 24 quilates más barniz, obteniendo un espesor de 30 micras y ofreciendo un producto de gran calidad.

Más de 38 años de historia caracterizados por presentar colecciones donde el diseño y la calidad reflejan los valores de nuestra empresa que trabaja cada día para hacer de su baño una estancia funcional, cálida y agradable.

Forms, sensitivity and movement, values of an aesthetic concept in bathroom.

Using only the best raw materials that are transformed in our plant in El Papiol, we finish with a demanding finishing process that includes a deposit of nickel, chrome or gold of 24 carats plus varnish, obtaining a thickness of 30 microns and offering a product of great quality.

More than 38 years of history characterized by presenting collections where design and quality reflect the values of our company, which works every day to make your bathroom a functional, warm and pleasant room.
